

Subject: Decision on submission to Global and Planetary Change

Manuscript Number: GLOPLACHA-D-22-00640R1

End-Permian terrestrial ecosystem collapse in North China: evidence from palynology and geochemistry

Dear Professor Hilton,

Thank you for submitting your manuscript to Global and Planetary Change.

I am pleased to inform you that your manuscript has been accepted for publication.

My comments, and any reviewer comments, are below.

Your accepted manuscript will now be transferred to our production department. We will create a proof which you will be asked to check, and you will also be asked to complete a number of online forms required for publication. If we need additional information from you during the production process, we will contact you directly.

We appreciate you submitting your manuscript to Global and Planetary Change and hope you will consider us again for future submissions.

We encourage authors of original research papers to share the research objects – including raw data, methods, protocols, software, hardware and other outputs – associated with their paper. More information on how our open access Research Elements journals can help you do this is available at https://www.elsevier.com/authors/tools-and-resources/research-elements-journals?dgcid=ec_em_research_elements_email.

Kind regards,
Maoyan Zhu
Editor

Global and Planetary Change

Editor and Reviewer comments:

Reviewer #2: I am satisfied with the revised manuscript. It seems authors have well addressed my comments and suggestions of the original submission. Thus, I think the manuscript could be accepted for publication.
