

**Corrigendum to “Iron and nickel isotope compositions of presolar silicon carbide grains from supernovae” [Geochim. Cosmochim. Acta 221 (2018) 127–144]**

*Kodolányi, János; Stephan, Thomas; Trappitsch, Reto; Hoppe, Peter; Pignatari, Marco; Davis, Andrew M.; Pellin, Michael J.*

Two curves in Figure 5 of the published version of the article, representing zonal variations of  $^{54}\text{Fe}/^{56}\text{Fe}$  ratios of two supernova models, were incorrectly labelled. We apologize for the mistake. The correct version of Figure 5 appears below.
